Peak Performance Lighting

BioBoost.Lighting

We are constantly reminded that...

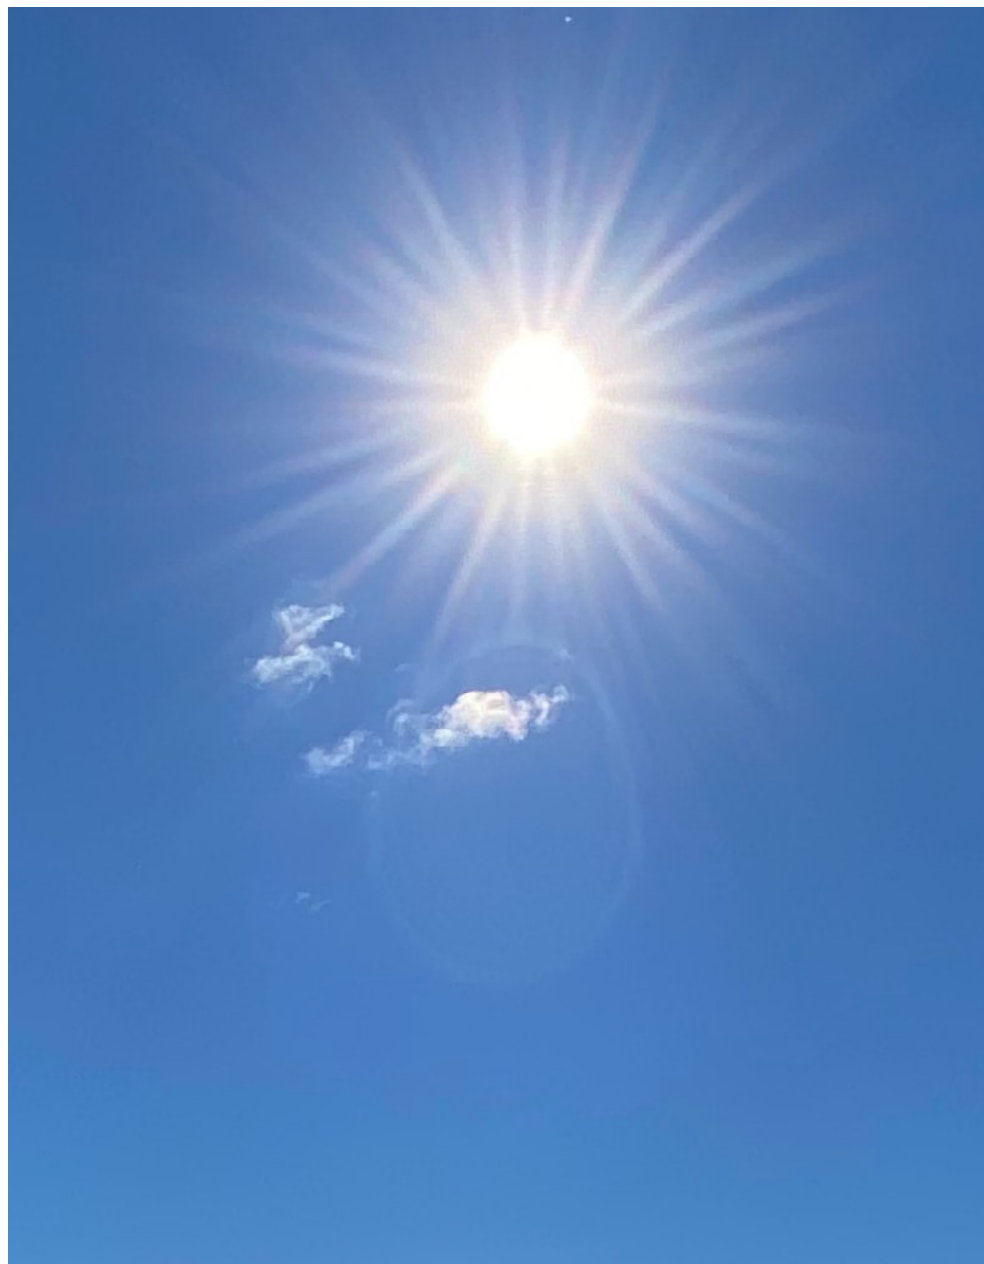

Blue Light keeps us from falling asleep.

But have we also considered that...

Blue Light keeps us naturally alert.

Natural and artificial environments

We are surrounded by **Blue Light**.

The Sun

Phones

Lights

Screens

Natural and artificial environments

How can we capitalize on **Blue Light**?

Workers

Students

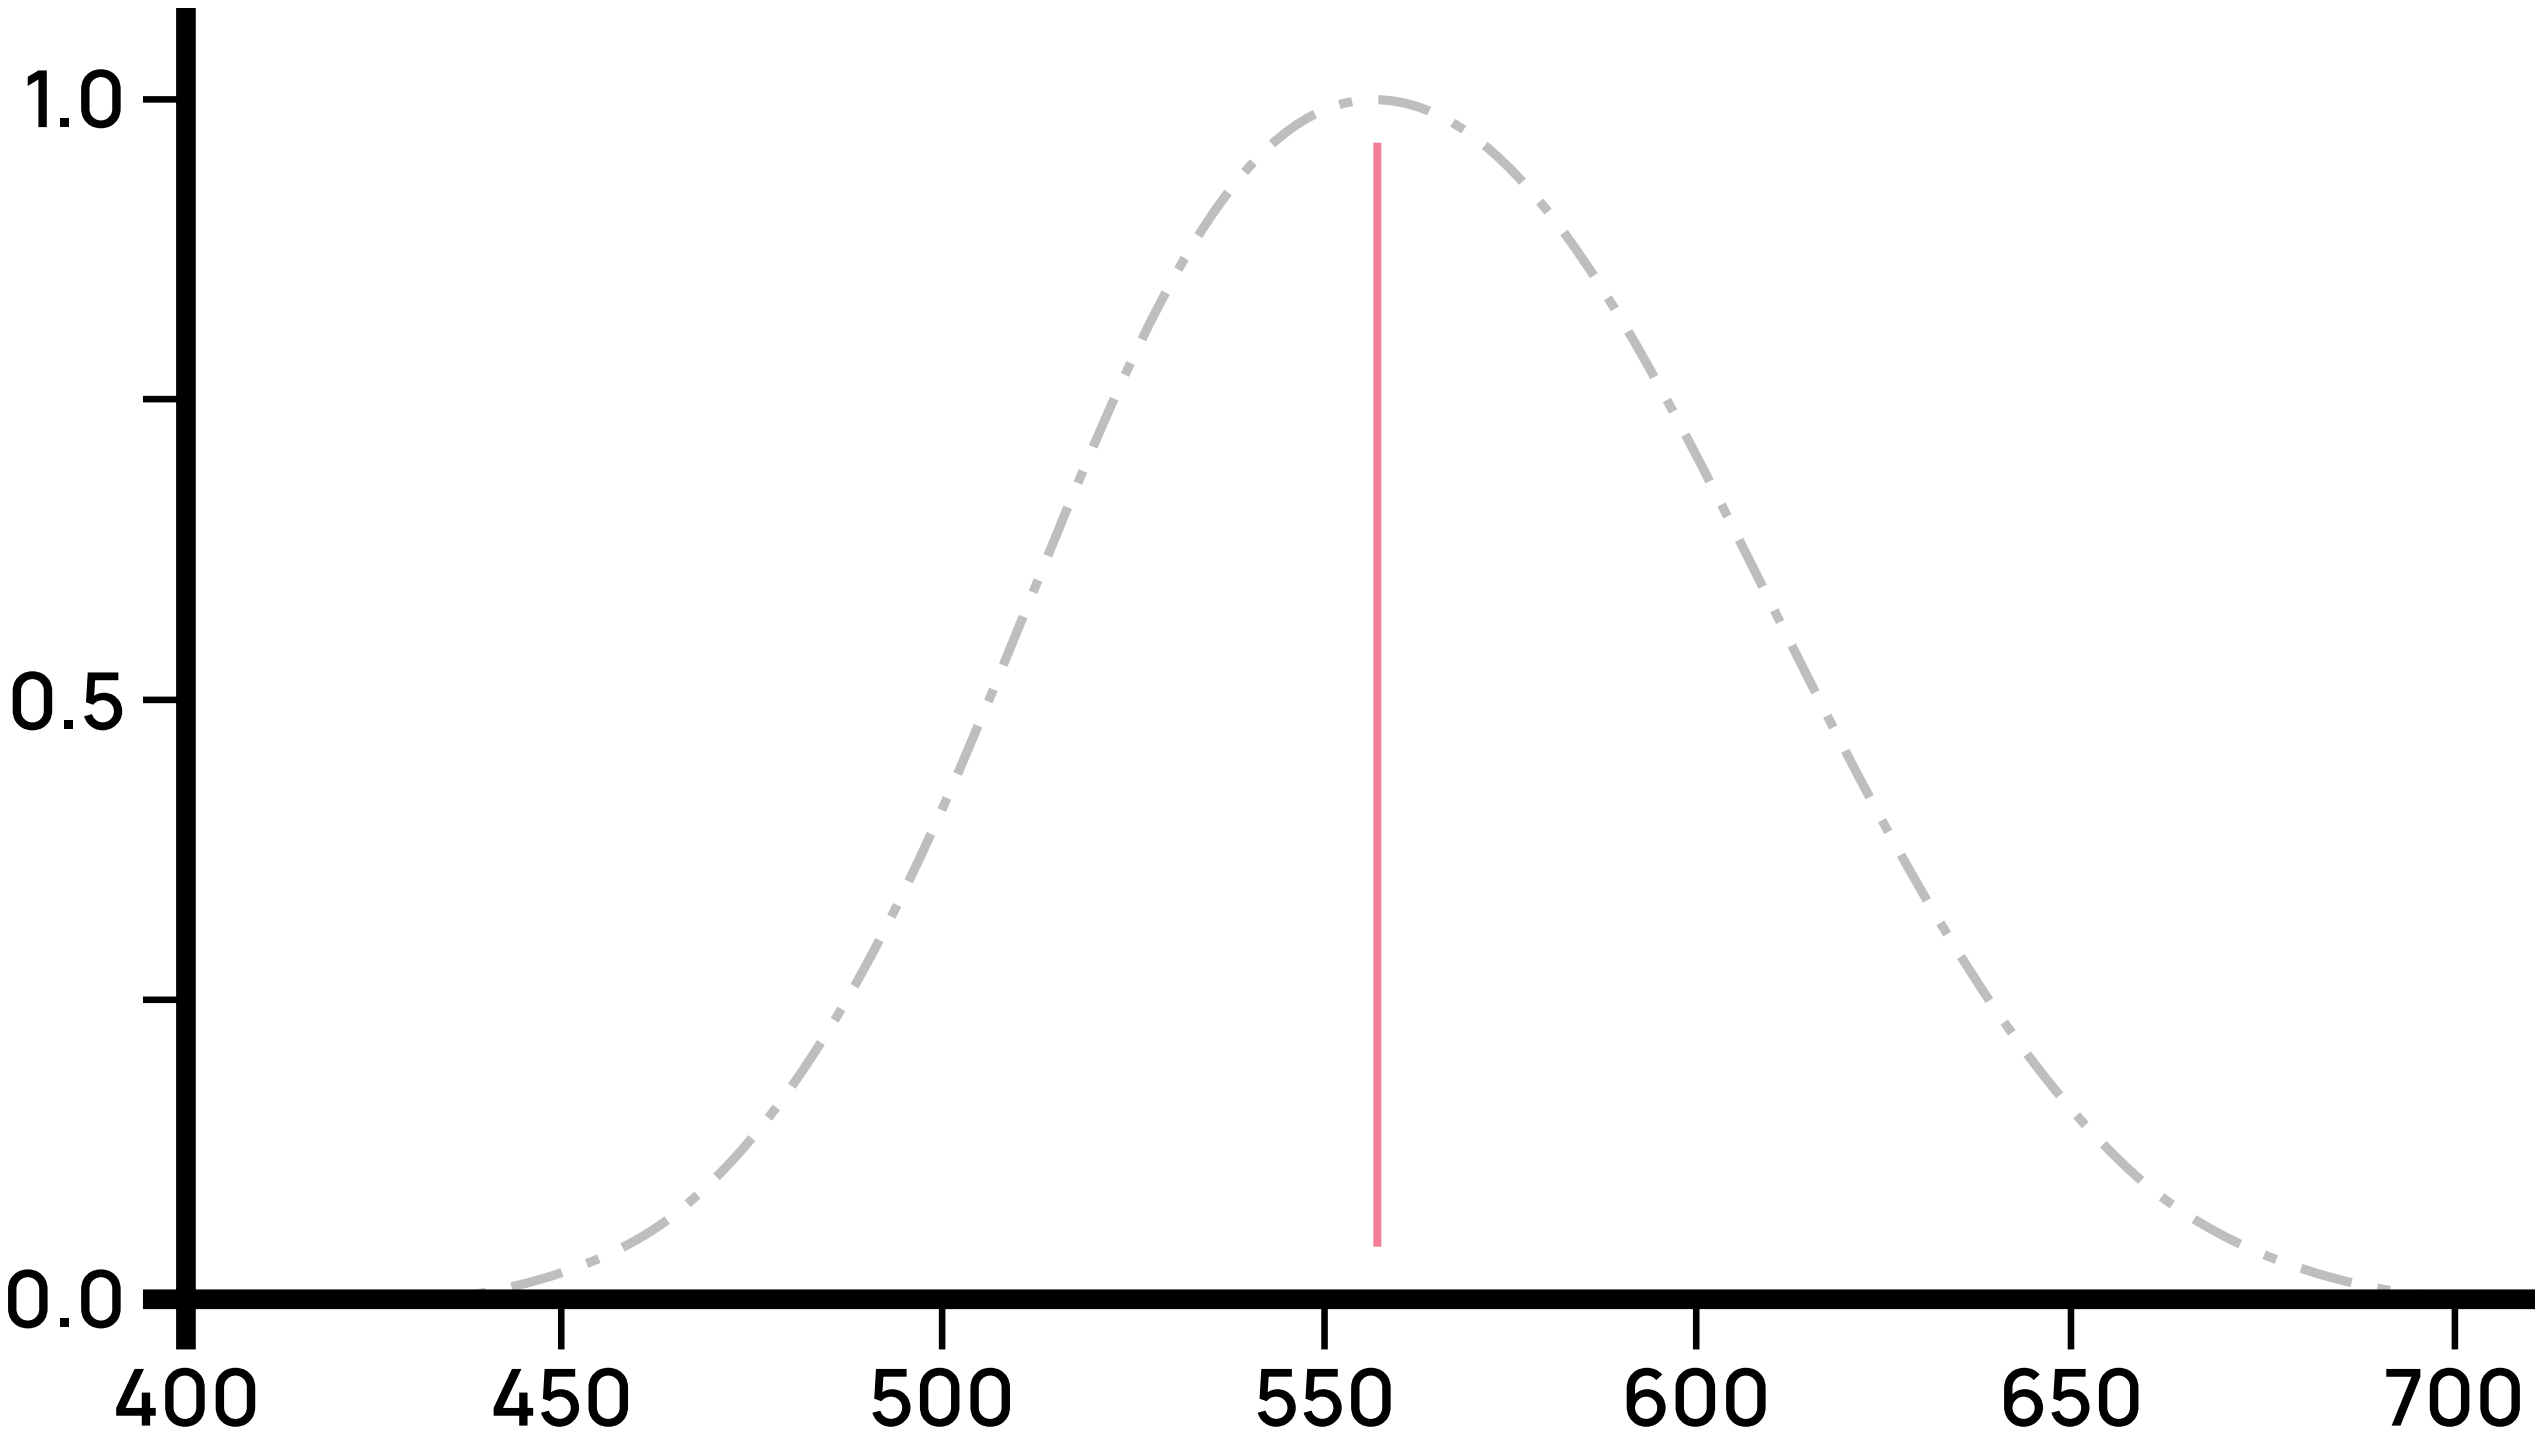

Military

Animals

Our ears provide hearing and balance

Our Eyes also Provide a Dual Purpose.

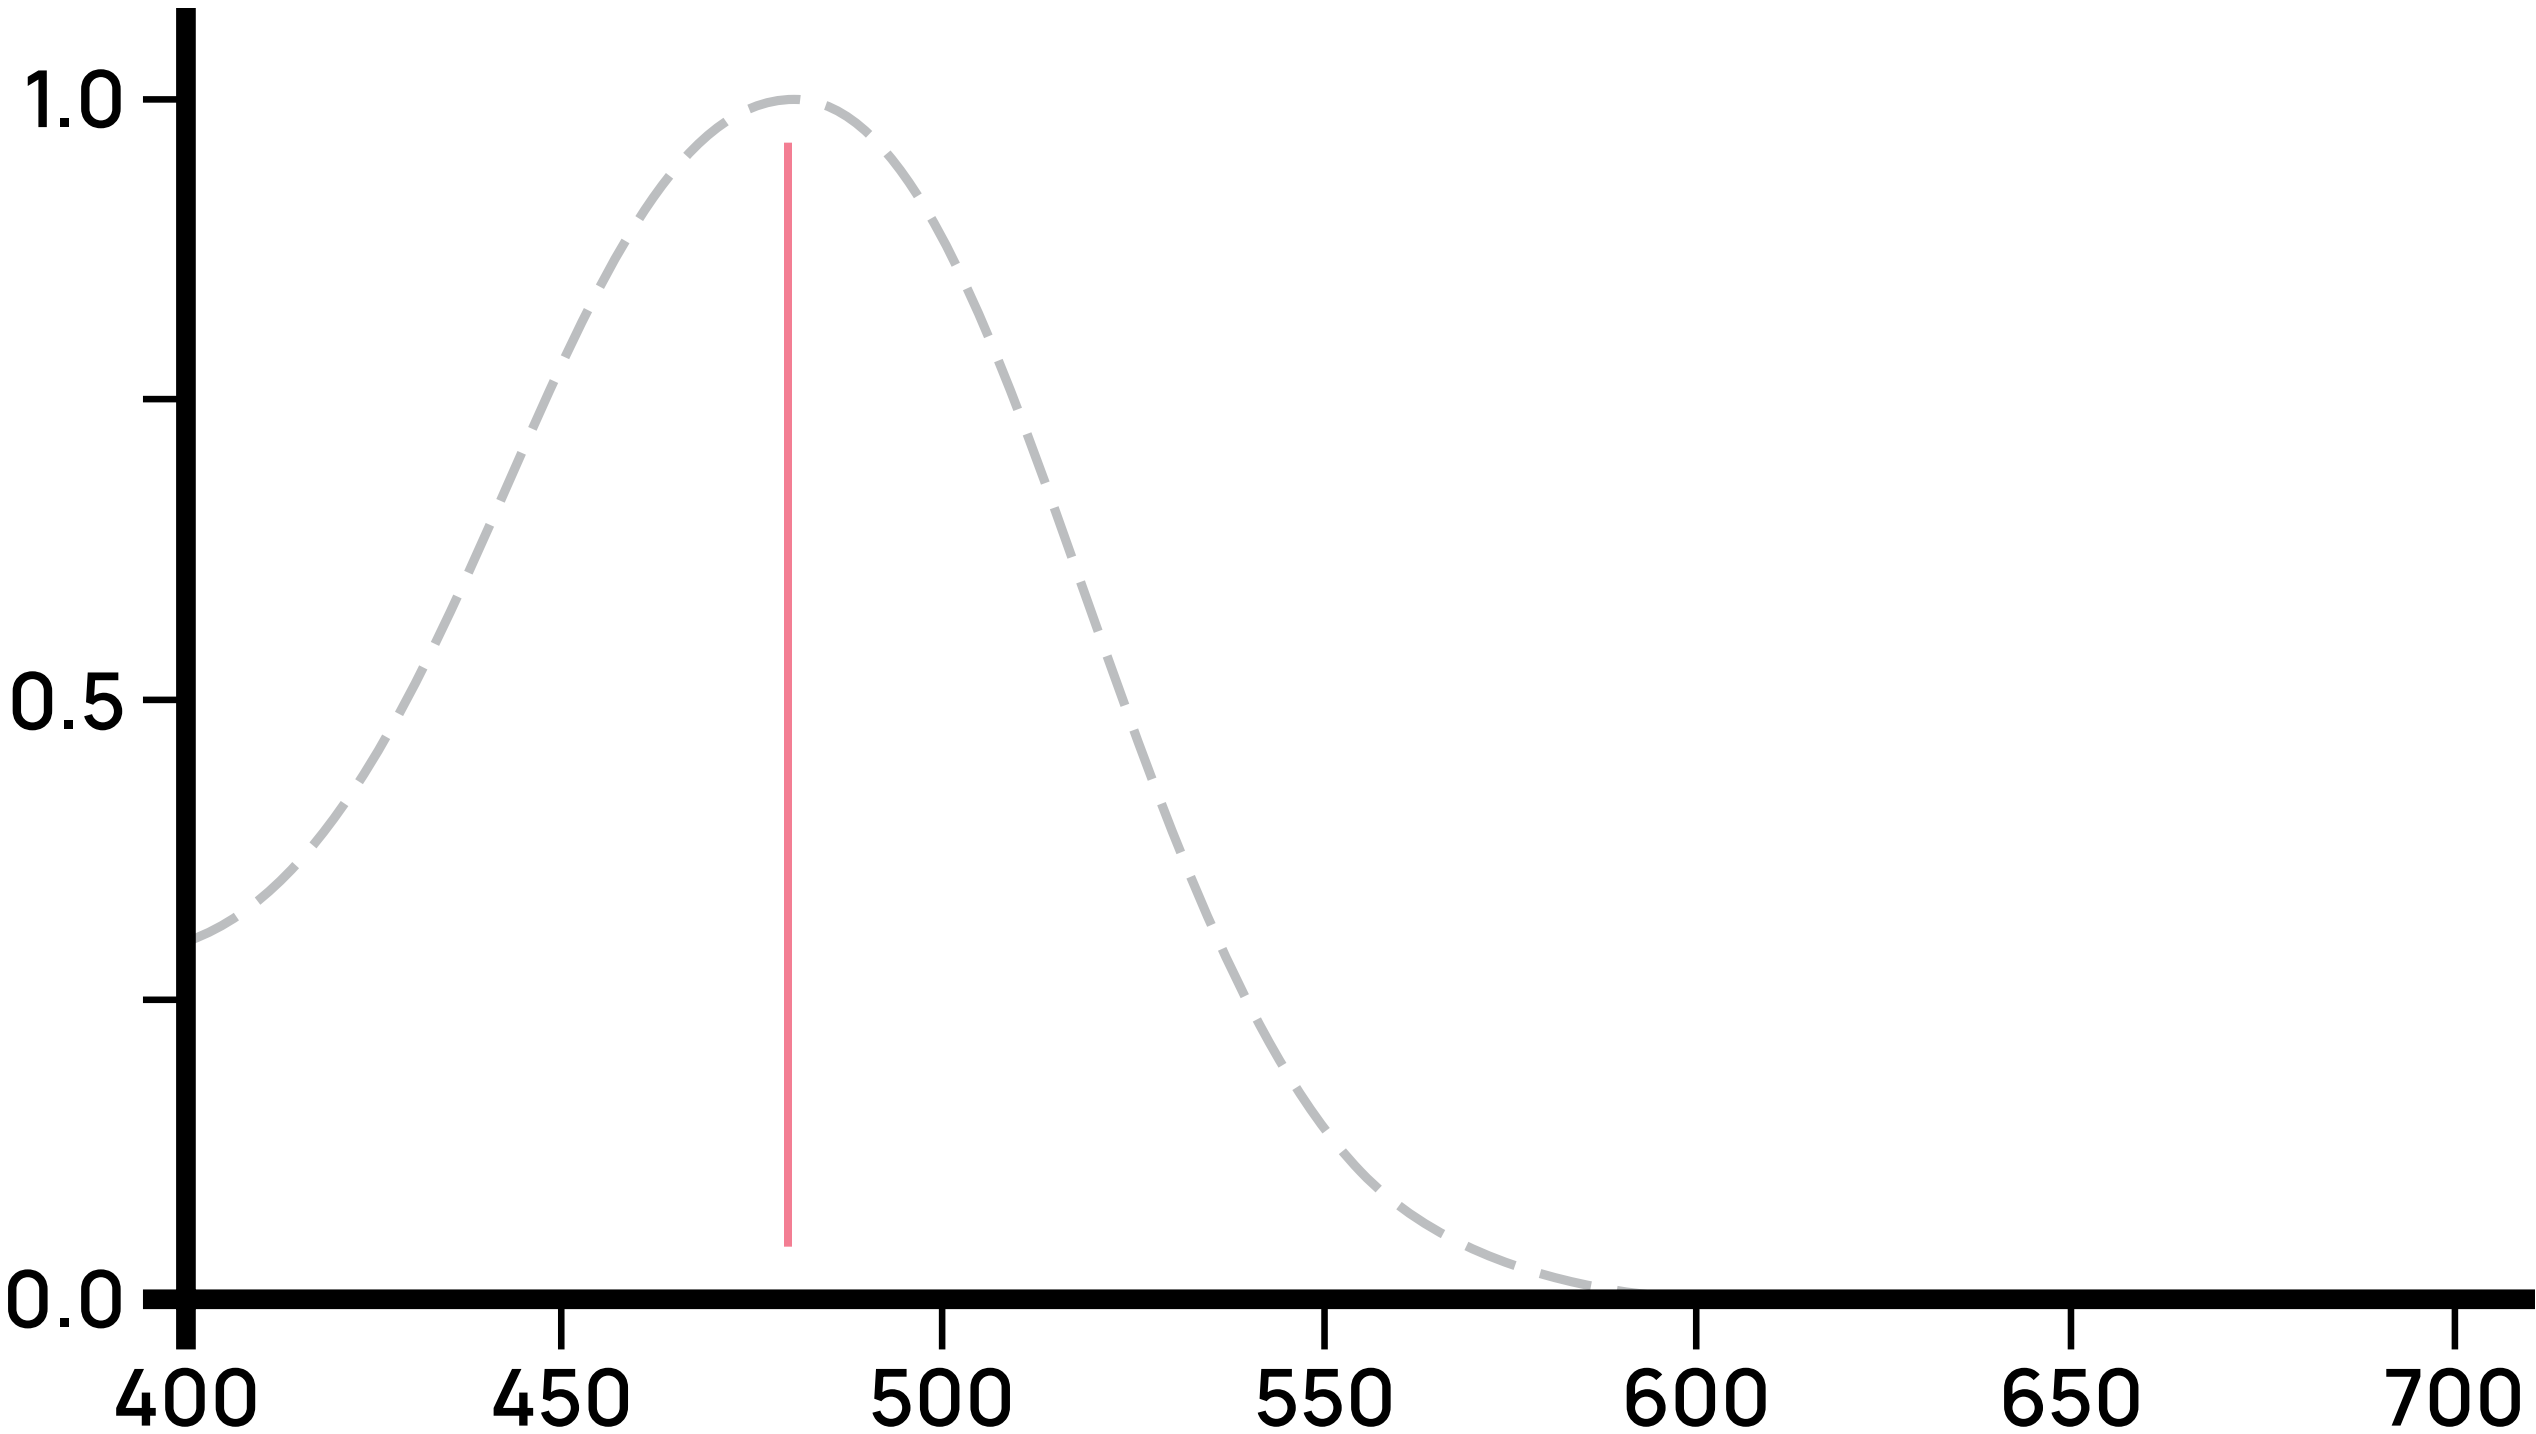

Ability to See
Photopic Visual Response

Circadian Reset
Melanopic Non-Visual Response
